

I have a decade of experience designing digital products, leading teams, and setting direction. Most recently I worked for Ghost, designing and building tools for writers, journalists and publishers. Before that I helped mould the design studio Bakken & Bæk into what it is today by building teams, shaping strategy and delivering products—from zero to one.

Experience

2023–Now	Co-Founder of <u>TRANSCRIPT</u> Magazine Curating, editing, designing and publishing a seasonal literary magazine.
2023–2025	Senior Designer at <u>Ghost</u> Involved in designing new features and exploratory brand & product work. Coded numerous improvements throughout the product and its marketing site.
2019–2023	Partner, CDO at <u>Bakken & Bæk</u> As Partner, I was involved in setting the company's strategy. As CDO, I focused on our Product Design work and team—from securing projects to hiring new team members, and from elevating our reputation externally to enabling Product Designers to do their best work.
2015–2019	Designer, Header of <u>Bakken & Bæk</u> in Amsterdam Set up shop in the Netherlands and built a local, multi-disciplinary team of up to 20 people to help the company take root. Mentored Product Designers and other team members. Designed digital products and websites.
2014–2015	Designer at <u>Fabrique</u>
2013–2014	Internships at Fabrique and Bakken & Bæk
